**Candidature Votum for Global Geoparks Network Executive Board – Individual Member
Marie-Luise FREY (Germany) - General Assembly 2025**

Dear Professor Zouros,

at its meeting on 20 May 2025 in Bonn, which took place at the German UNESCO Commission, the German Global Geoparks Network decided to support Dr Marie-Luise Frey as a candidate to represent the group of 'Individual Members in the next period of the Global Geoparks Network'. I hereby forward this decision to you as official document for Dr Frey's official application. We would be very pleased if she could continue to contribute her extensive experience from her previous work on the Executive Board, as well as in the various working groups of the Global Geoparks Network, to the further development of our UNESCO Global Geoparks Network.

We support her application and ask the other members to vote in her favour.

Sincerely,
with many thanks and best regards

Dr. Jutta Weber (Speaker German Geoparks Network)

To Whom it May Concerns

Psiloritis UGGp from Greece, strongly supports and endorses the candidature of Ms Marie-Luise Frey from Germany, Individual member of GGN as an Executive Board member.

We know very well the long and crucial involvement of Ms Frey in the development and establishment of the Geoparks initiative, as well as her productive and efficient management of Bergstrasse-Odenwald UGGp and Messel Pit WHS in Germany. Her contribution so far from various positions in the operation of the GGN is also remarkable.

We believe that as a member of the new Executive Board of GGN, Ms Frey will help a lot in the development and efficient operation of this expanding network in the coming years.

Yours Sincerely,

TO:

Dr. Marie Luise FREY
Germany

Dear Dr Frey,

Based on your long experience and contribution in the Geoparks activities in Germany, in Europe and the World through networking and capacity building activities, through your active participation in the Global and Regional Geopark Networks, as well as in the UNESCO Global Geoparks Council the LESVOS UNESCO Global Geopark wishes to endorse your application to become Executive Board Member of the Global Geoparks Network

We believe that your long experience for Geoparks establishment since 2000, especially after the foundation of the GGN in February 2004 on the development of Global Geoparks will be useful and will contribute to further development and strengthening of the work of the GGN and the UNESCO Global Geoparks.
